

Dear Faithful Customers,

We write to you with eternal thanks but with heavy hearts. After 86 years, our family has made the decision to exit the grocery industry. This was a very difficult decision because we will miss serving you, our neighbors, and because of our long history serving the Lancaster community for so many years.

In making our business decision to exit the industry, we are closing two of our Lancaster area stores in Mt. Joy and Elizabethtown, as well as our Newberry Commons store in Etters, PA. Again, this was a difficult decision, but a necessary one.

In addition, we have reached an agreement with GIANT Food Stores to purchase our Willow Valley store. We recently have been in touch with the folks at GIANT, and we're really pleased to hand the keys over to such a great partner and community steward. In the future, the Willow Valley store will operate as a grocery store under the GIANT banner.

Importantly, we are also pleased that our employees will have the opportunity to interview for comparable positions at nearby GIANT stores, not just for the Willow Valley location.

GIANT has also pledged to continue to support the charitable organizations that our family has supported over the years, such as Grace Church, A Week Away Foundation, Brighter Day Foundation, Lancaster South Rotary, and the Willow Street Fire Department.

For our customers who use our pharmacy services, GIANT will also assist customers who have prescriptions at our Mt. Joy and Elizabethtown pharmacies by automatically transferring them to the GIANT pharmacies in those respective communities.

Thank you. It has been an honor for our family to faithfully serve you for so many years.

Sincerely,  
The Darrenkamp Family
